

CHANEL COLLEGE

SUMMER 2021

Message from the Principal

As summer approaches I would like to thank all the staff, students and parents for your support this year. It's hard to believe nine months have passed since Ms Brazil and I were busy rearranging classroom furniture and tweaking our timetable so as we could reopen safely. Please God the coming academic year will see us complete a full academic year without interruption. In spite of the challenges laid before us, 2020/2021 has been a remarkable year for Chanel College.

This year saw the introduction of whole school WIFI. Teachers received their own devices and students now have access to laptops when needed. This investment in ICT has made a significantly positive impact on Teaching & Learning here in Chanel College. Students and teachers now access the multitude of digital resource available on a daily basis. In December 2020 Transition Year students held our first Christmas Market as part of their NFTE programme. This was such an uplifting event and a huge credit to the students and staff involved.

In terms of student achievement a special mention to the group of students who won this year's Creative Engagement Art Exhibition. This is a fantastic achievement and as a community we are very proud of the students involved. This coming November, Chanel College will be represented in the European NFTE Awards which takes place in Switzerland. A Massive congratulations is extended to Gerald O Regan, a TY student, who won the All Ireland Special Recognition Award.

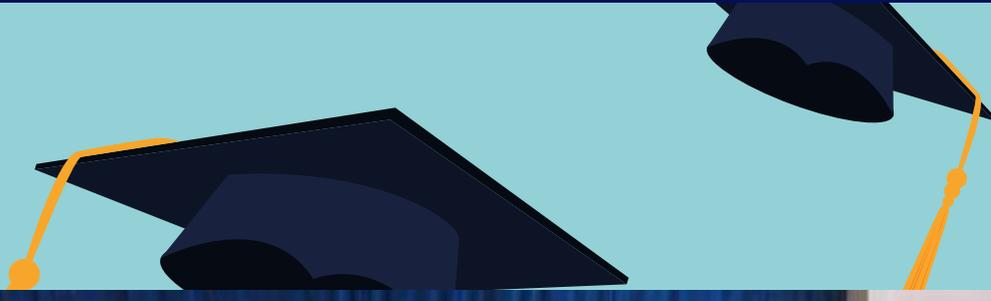

For 2021-2022 we will continue to seek improvement in every aspect of school life. We are broadening our curriculum with the introduction of Leaving Certificate Physical Education and Leaving Certificate Computer Science. We are developing a new Code of Behaviour and all stakeholders have been invited to contribute. We are introducing a new school jacket and hot meals will be available to all students on a daily basis from September 2021.

Finally, I would like to wish all our 6th year students the very best of luck in their upcoming exams. While this is a stressful time for these students, I have every confidence each will achieve great things in the Leaving Certificate and beyond.

Enjoy the summer break,

Dara Gill
